RE: Qianhan Zhang

To Graduate Housing:

This is to confirm that Qianhan Zhang is currently registered as a full-time student in the Masters of Finance Program at the MIT Sloan School of Management. Qianhan Zhang entered the program in July, 2022. Qianhan Zhang is a student in good standing and, upon successful completion of all requirements, is expected to receive a degree on February 17, 2024. Qianhan Zhang will leave campus for an internship this summer and would like the lease terminated on 5/31/2023.

Sincerely,
Christina Beck
